

A DISTINCTIVELY DIFFERENT
COMMUNITY FOR SENIORS

Happy August!

The SearStone team is working hard on getting us closer and closer to construction, and if our eyes aren't deceiving us, the CVS walls are being constructed as we speak. As we watch the construction of our Specialty Retail Village take place, we are also staying busy with events in the Model Home and about town as well.

We thank you for your continued interest in SearStone and invite you to call today to schedule your personal tour of the SearStone Model Home and Sales Center. As we get closer to construction, floor plans are selling out ~ we only have three one-bedroom apartments available in our clubhouse and our inventory changes daily.

With a planned opening in 2011 and pre-construction pricing, this is the perfect time to plan today for your retirement tomorrow. More than half of our residences are reserved. While choices of floor plans are still available, the best views are going fast and the longer you wait the few choices you will have. Timing is the key to most of the decisions we make in our lives.

So why consider planning now to move to SearStone?
Actually, there are many good reasons:

1. 100% refundable Entrance Fee that protects your estate.
2. 10% refundable deposit locks in pre-construction pricing and earns a 5% interest rate.
3. Selecting and reserving your home now assures your SearStone membership, even if your health changes.

These are just a few of the many good reasons to plan your move to SearStone now. To hear more call Laura or Morgan today to schedule a personal tour or join us for a Planful Retirement Lunch Seminar scheduled for August 25. The lunch seminar begins at 11:30AM with a short presentation on the planned SearStone community, followed by a tour of the beautifully furnished model home. If you would

like to join us, please RSVP today by calling 919-466-9366 or e-mail us at info@searstone.com. Due to limited seating, RSVPs are required.

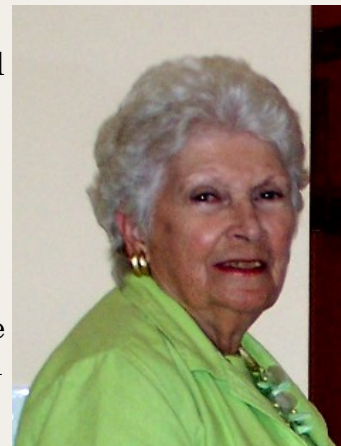

We continue to reach out to the community through speaking opportunities and sponsorships. In July, Morgan Lamphere, Director of Community Outreach, presented “Senior Living Options” at the Cary Senior Center in Bond Park. This month, we are on the Cary Senior Center calendar with a presentation on “Maintaining Your Brain”. For more information on programs available at the Cary Senior Center, call 919-469-4061 or visit www.townofcary.org.

SearStone is proud to announce our sponsorship of the Western Wake Farmer's Market. The market is open Saturdays from 8:00AM to 12:00PM through November and is located at Carpenter Village in Cary. The market features products from more than 30 local farmers and artisans. These offerings include NC-caught seafood, meats from grass-fed and free-range animals, seasonal fruits and vegetables, eggs, fresh and aged cheeses, wine, artisan breads and pastries and much more! This market is just one of the special amenities that make Cary a great place to live, and with it being just around the corner from SearStone, a wonderful addition to our neighborhood! For more information on Western Wake Farmer's Market visit their website at www.westernwakefarmersmarket.org.

Meet a SearStone Member...

Meet one of our SearStone Members, Betty Morgan. Betty has lived in Cary for the past 12 years, and previously lived in Chapel Hill for 12 years. She also has lived in Alexandria, VA and claims herself to be a “Northerner.”

Betty has worked in the business world for many years in various capacities, but by a fluke ended up in the travel business. She managed a travel agency in Alexandria for about 10 years, and when she moved to Chapel Hill became ‘just an agent’ in an office in Carrboro. This career in travel has given her the “travel bug” for the long-term.

Since Betty traveled so much for business and pleasure. She says, "I have been fortunate enough to have seen much of this country, and many other intriguing places in this world. However, I feel Athens and the Greek Isles has to be one of my favorites." Betty has spurred a group of travelers from the Heritage Pines community to visit such exotic locations such as Thailand, Croatia, Spain and Costa Rica – just to name a few!

Betty chose SearStone for several reasons. “First, of course being the fact that SearStone offers me peace of mind knowing I will not become a burden to my children either financially or health wise. Also, SearStone looks like a wonderful place to spend the rest of my life. I don't want to be in a gated community. I want to see people and be able to walk to shops and enjoy what should be a beautiful community.”
