

A DISTINCTIVELY DIFFERENT COMMUNITY FOR SENIORS

February 2010

Thank you for your continued interest in SearStone. This is an exciting time for SearStone! We are preparing to break ground on Cary's newest Continuing Care Retirement Community.

To begin construction, the commitment of 70% pre-sold deposits is required and we are nearing our goal. As a result we are offering a special incentive of up to \$50,000 off select homes. Below are just two of the many floor plans that you could save up to \$50,000 off your 100% Refundable Entrance Fee.

The Danube, a one bedroom, one and a half bath apartment home located in the Lorraine Plaza with a lake view is 1280 square feet of luxury apartment living!

Lorraine Plaza is just a short walking distance from the Winston Clubhouse which will offer several dining options from a cafe to fine dining; a state-of-the-art fitness center; an aquatic center; library; private meeting rooms and more exclusively for SearStone members.

The Highland II is a two bedroom, two full bath with den apartment home located in the Calais Terrace. This floor plan features 1843 square feet of spacious living with two balconies!

The Calais Terrace is also just a short walking distance to Winston Clubhouse and planned SearStone Botanical Conservatory, which will feature plants, flowers and trees grown on the Sears and Stone family farm for eight generations!

Call today ~ 919-466-9366 or 1-866-717-5400 ~ or email us at info@searstone.com to learn more about this special incentive to save \$50,000 off your 100% Refundable Entrance Fee and to schedule a visit to the Sales Center and Model Home.

The SearStone Botanical Conservatory is a separate 501(c)(3) foundation that was established by the Sears family. The conservatory is a project that the family initiated to conserve and celebrate the indigenous trees and plants that have been part of this land. The conservatory is an added amenity for SearStone members and their guests and it will be a peaceful retreat for all.

We continue to share the SearStone community with businesses, groups and organizations in the Triangle including hosting luncheons for the Cary Chamber Women in Business group, the Senior Resource Alliance organization and a breakfast presentation at the Prudential York Simpson Underwood office.

We also continue to work with the Cary Senior Center at Bond Park and presented "What is Memory" and "Senior Living Options" in January and will present "Maintain Your Brain I and II" on February 23 and 24. For more information on programs offered at the Cary Senior Center visit their website at www.townofcary.org.
